

A VIEW OF THE FALLS

Office of the Mayor - Richard B. Milne

April 2, 2010

Greetings Friends;

The Village Trustees and staff have completed the Village budget for the 2010-2011 fiscal year. Budget information is being mailed to every home and business in the Village during the week of April 5th and we would appreciate your comments on what's presented. It's important to mention that there have been workshops open to the public and there remains one more workshop on April 9, 2010 at 6:00 PM. The public hearing on the proposed budget will be on Wednesday, April 14, 2010 at 6:30 PM

This has been one of the most difficult budgets to date and although difficult decisions have been made with regards to the Village tax rate we are comfortable with the final proposed budget and know that these decisions will keep the Village financially sound moving forward.

Lastly, it continues to be the goal of the Village of Honeoye Falls to communicate with our residents about important topics that affect our community. Please sign-up for our (Village Email). Return to the Village Website "Home Page" and sign up.

Regards,
Richard B. Milne
