

A VIEW OF THE FALLS

Office of the Mayor - Richard B. Milne

June 11, 2010

Greetings from the Village;

Tonight is the Annual (American Cancer Society) Relay For Life in the Village of Honeoye Falls. The event is at Harry Allen Park and begins around 6:30 PM. This is one of the most heart-warming events you can attend. If you've never been to a Relay For Life event, I strongly encourage you to attend.

If you normally donate to this important cause and haven't yet, you can follow this link (www.relayforlife.org/honeoyefallsny) to do so.

I am participating on a team (First Presbyterian Church Hates Cancer Team #2) so feel free to support us or donate to the cause itself. Certainly, you can come down tonight and support the cause as well.

Next weekend is Festival-On-The-Green in the Village. This is always a great event and this year the Honeoye Falls Fire Department celebrates it's 125th Anniversary with a large Fire Department parade on Saturday evening. Look around the Village and on our website for a listing of events. It's a full weekend beginning Friday evening and lasting through Sunday afternoon. You won't want to miss this!

Enjoy the weekend,
Richard B. Milne
