

A VIEW OF THE FALLS

Office of the Mayor - Richard B. Milne

March 3, 2011

Dear Residents;

Your village staff is hard at work preparing the Annual Budget. As you know the Village calendar year is April 1st through March 31st and we will have our budget prepared and approved by April 15th.

Over the last three - four years we've taken some bold steps through our budget process to plan ahead for cost increases and to plan for capital expenses for future years. Our staff is working very hard to prepare a responsible budget that will show no tax increase if at all possible. Please watch our web site and the Sentinel Newspaper for updates on the budget process. We do have budget workshops planned and they have been advertised and open to the public to listen to the process. These workshops are not all open for "public comment" but there will be appropriate time allowed for public comment during the process. As always, stay informed and involved!

Regards,
Richard B. Milne
Mayor, Village of Honeoye Falls
