

A VIEW OF THE FALLS

Office of the Mayor - Richard B. Milne

July 6, 2011

Dear Residents & Business Owners;

On behalf of the Village staff we hope you all had a nice Independence Day holiday and are enjoying the great weather we've had as of late. I'd have to say that with the winter and wet spring we had, we are certainly due this string of great days we've enjoyed as of late.

There are fun family events coming soon with the Movies in the Park series hosted by the Honeoye Falls-Mendon Chamber of Commerce. This Friday, July 8, the Honeoye Falls Community Concert Band will begin the evening at 7:30pm followed by The Chamber of Commerce Movie series beginning at 9:00PM. Please check our web site for more details.

Congratulations to all the HFL Seniors who recently crossed the graduation stage. Now it's time to cross over to your next stage in life. Whether you are going away to school, joining the Armed Forces or moving right into the work force; we wish you all the best and hope you'll go out and make your mark in the world. We hope that during this graduation season, all our graduates and their friends and families will be safe.

Lastly; the plan is starting to come together for West Main Street to be paved. This will be a NYS DOT project along with the Town of Mendon highway department. Our next email blast will provide the updated details on this project with anticipated project time-tables. This project will not shut down West Main Street but will cause some traffic delays and back-ups. Plans are being prepared to help mitigate concerns for business owners and residents alike.

Best regards,

Rick Milne, Mayor
Village of Honeoye Falls
