

A VIEW OF THE FALLS

Office of the Mayor - Richard B. Milne

July 21, 2011

Every spring we have a very dedicated group of individuals and business owners that help our Village staff with flower plantings throughout the Village. We are lucky to have this dedicated group of volunteers and they are generally organized by Mrs. Lauri Hoffman who for quite a few years now has spearheaded this program. I want to thank Lauri and her crew for all they do to help beautify the Village. The following note is from Lauri to all her co-workers and I think her letter says it best! Many thanks to all,

Rick Milne
Mayor, Village of Honeoye Falls

Still in Bloom

Are you still enjoying the fantastic display of color around the Village? I marvel at the brilliance of the colors when I drive through the village and want to make sure we thank the MANY fantastic helpers who worked hard this spring to clean and plant!

We would also like to thank our other helpers:> Dee Dee Williams; HF Girl Scout Troop led by Terry Northrup, members include; Emma Northrup, Megan Donahoe, Alexandra Northrup, Erin Donahoe, Emma Ross, Isabel Ross, Natalie Northrup, Jennifer Falta, Madison McIntee, Hannah McIntee, Lydia Cooley, and Olivia Cox.; St. Catherine's Family Education Families; the Justin Smith family, the Jacobs family and the Romig family; Ginny Floss and Karen Weldon who helped a middle school class at HF-L grow their very own marigolds again this year to plant at the cemetery; Rob Sanford, a 6th grade teacher at the HF-L Middle School who led a group of young adults who planted near the Town Hall.

And a big **THANKS** to our dedicated staff at the DPW for their efforts to maintain the beauty of our flowers throughout the spring and summer.
