

A VIEW OF THE FALLS

Office of the Mayor - Richard B. Milne

October 12, 2012

Dear Community Members;

Certainly there has been significant discussion since last week's announcement that the GM facility in Honeoye Falls will close. In an effort to support those with career decisions to make from GM as well as others in our community who may also be looking for employment; the Village is adding a page to our web site (www.villageofhoneoyefalls.org) that will provide job opportunities presented to us. The Town of Mendon Library is also hosting (Job Search Sessions) that may be of interest to many as well, this information is also on the web site.

Lastly, mark you calendar for the 3rd Annual Pumpkin Festival scheduled for Harry Allen Park – Saturday, October 20th from 6-8:00 PM. This is a great event and fun for the whole family! Look for information about decorating pumpkins and having them on display at the park as well as the other great activities that evening.
