

A VIEW OF THE FALLS

Office of the Mayor - Richard B. Milne

October 29, 2012

Dear Residents;

While we have all heard many times in the past about the storm that will hit that simply doesn't. Being prepared for the worst situation is the best protection possible for emergencies that do strike. With that in mind, our local fire department and ambulance department are preparing with staff & volunteers to cover any issues that may arise. Likewise, our DPW staff is at the ready to respond to emergencies that affect roads, sewers etc.

In the event of any medical or water/fire emergency in which you may require assistance, please remember to use the (911) emergency system to ask for help. Be prepared and stay home out of the high winds and driving rains if they do indeed hit our area later today and tomorrow.

Rick Milne
Mayor, Village of Honeoye Falls
