

## A VIEW OF THE FALLS

### Office of the Mayor - Richard B. Milne

October 30, 2012

Dear Residents and Community Members;

I want to take a moment to thank the volunteers of our Fire and Ambulance Departments for their diligence in being at "the ready" during the storm last night. Also: Kudos and thanks to our DPW staff that were also on call last night and fully prepared.

While damage and issues were few, knowing that our community was ready to respond is always comforting. Yet another reason Honeoye Falls is such a special place to live and work in.

We will be cleaning up the issues we did encounter throughout today and tomorrow and hope that it will remain as business as usual.

Based on the current weather predictions, Halloween will not be rescheduled.

Rick Milne  
Mayor, Village of Honeoye Falls
