

A VIEW OF THE FALLS

Office of the Mayor - Richard B. Milne

April 18, 2013

Dear Residents,

Residents:

As the weather gets nicer we also begin to see rising numbers of burglaries and auto break-ins. This is not just an issue in Honeoye Falls but all over the area as reported to me by the Monroe County Sheriffs Dept.

The incidents of auto break-ins also increase in park areas and parking lots near walking/biking trails and in retail areas.

Please be aware of this. Keep your valuables out of sight and keep your vehicles locked!

Developers and construction companies need to keep this in mind as well.

Rick Milne
Mayor, Village of Honeoye Falls
