

A VIEW OF THE FALLS

Office of the Mayor - Richard B. Milne

December 15, 2014

Dear Community Members;

We have officially moved into both the winter season and the holiday season at the same time! Not only did we have a fair amount of snow this past week, but then kicked off the holiday season with the Honeoye Falls Fire Department Christmas Parade. We hope that all of you who attended (and there seemed to be "hundreds") had a great time. We appreciate the many positive comments and we thank the HFFD for their continued sponsorship of this event.

The annual "living Nativity" takes place at Harry Allen Park on 12/21/14 at 6:30 PM. This is always a meaningful event portraying the story of the Nativity and a celebration of Christmas.

Honeoye Falls Boy Scout Troop 10 Christmas Tree sale continues through the next two weeks, they have some very nice trees for sale at Harry Allen Park so please support them if you are in search of that perfect tree. They also are collecting non-perishable food items for our local food cupboard if you are able to donate items.

During this season of thanksgiving, your village board and village staff is very appreciative of the support given to us throughout the year. We appreciate having the ability to work and serve in a caring community and do look forward to 2015 as a year in which we will continue to move forward and progress. As I try to walk around the Village each evening, it is heart-warming to see the beautiful decorations and lights throughout the Village. Whether you decorate your home or not during the holiday season, or whether you have simple decorations or grand decorations, I appreciate the spirit of the season in Honeoye Falls!

We wish you all a very safe and joyous holiday season.

Rick Milne, Mayor
Village of Honeoye Falls
