A happy and blessed Memorial Day to all. As we prepare for the day, its my hope that we all will take time to reflect on the incredible lives we have, the opportunities that are given and the choices we have as there are many that do not.

I thank and appreciate all that have served or are serving our great nation. And I often wonder if those that have given "all" can rest in peace and in comfort knowing that they did indeed help provide and protect freedoms of a nation that does indeed appreciate their sacrafice. Are we worthy of this gift, are we worthy of this sacrafice, are we worthy of this love....

Bless you all good soldiers...rest in peace and comfort.
