

VILLAGE OF HONEOYE FALLS PLANNING BOARD

November 24, 1997

MEMBERS PRESENT: Denise Heischman, Chair, Betsy Taylor, Tom Judd, John Hoffman

MEMBERS EXCUSED: Earll Fontaine

WORKSHOP

Note: the secretary entered the meeting late due to a last-minute Zoning Board meeting. Chair Heischman asked that minutes from this Workshop be sent to the Zoning Board as well.

Workshop was held to discuss zoning on West Main St. Can the Planning Board limit industry to light industry only in an IP area on West Main? Points discussed included:

1. retention/detention should be Wetlands
2. Parking to the sides and rear only, with the exception of handicapped parking
3. light deliveries in front
4. visitor & handicapped parking, with one row of parking
5. deliveries and major parking to the side and rear of buildings and/or to be placed so as to minimize noise to residential areas.

The Board used as a sample for tonight's meeting the Ogden, NY Light Industrial District Legislation 210-34. LI. This legislation is most applicable to Honeoye Falls, and the Board felt that with some changes, would be appropriate. The Board proceeded to go through the Legislation up to and including #18-F (page 5.) Changes were noted on copies of Ogden's paperwork. The Board will continue to discuss this issue at another meeting.

Meeting adjourned at 10:00 p.m. Respectfully submitted,

Deb Milne-O'Brien, Secretary
