Chairman Heischman opened the public hearing at 7:02 p.m. Mr. Osterling and his builder, Mr. Sidell, approached the Board to review plans submitted for an addition to Mr. Osterling's Maple Street home. Mr. Sidell described improvements the addition would add to the house, including a side porch with access to the rear of the house, enlarging an upstairs bedroom and kitchen area, and adding a laundry room.

The Board reviewed setbacks. Chairman Heischman noted that side setback would remain unchanged except between the house and garage. Mr. Turner stated that the setbacks would be acceptable.
