SITE PLAN REVIEW: 152 CHEESE FACTORY RD

An application was presented by Tom Voorhees (representative for John and Barbara Dick) for a 2400 sq. ft. pole barn to be built on the Dick's property at 152 Cheese Factory Rd. Mr. Voorhees said the color of the barn will match the house. The walls are 12' high and the barn will be 17' at the peak.

The purpose of the barn is for equipment storage, e.g. tractor, post hole digger, lawn mower, etc. There is currently no plan to run electricity to the barn.

Chair Cooley asked if there were any comments/questions from the public. There were none.
